

# TECHNICAL DATASHEET

## 6 Holes PDU Universal Socket with AV6 Meter Input Ceeform, 32A

Input : Ceeform, 32A

Output : (6) GB2099.3-1

Cable : 3G\*4.0 mm²\*3m

Max. Power : 8000 Watt

| Specification             |                                                                                                        |                                                                                       |
