

# TECHNICAL DATASHEET

**3 Phase PDU 63A**  
**27 Sockets IEC C13**  
**With Ammeter Y-Series**  
**Input Ceeform 3P+N+E, 63A**

Input :  
Ceeform 3P+N+E, 63A

Output : (27) IEC C13

Cable : 5G\*10.0mm<sup>2</sup>\*3m

Max. Power : 41 Kw

**Specification**

|              |                         |
|--------------|-------------------------|
| Brand        | YURRO                   |
| Product Name | Power Distribution Unit |
| Part Number  | Y-B27-7-6.3P            |

**Physical**

|                 |                                                         |
|-----------------|---------------------------------------------------------|
| Case            | Aluminium alloy coated Black                            |
| Power Input     | Top singel input                                        |
| Bracket Install | Vertical installation                                   |
| Product Size    | L x W x H = 1328 x 50 x 60mm                            |
| Mounting Length | 1289mm                                                  |
| Mounting Style  | 2 ends Brakets                                          |
| Fittings        | 4 pcs cross screw ( $\phi$ 6 x 16mm), 4pcs M6 float nut |

**Output**

|                    |              |
|--------------------|--------------|
| Socket Type        | IEC C13      |
| Socket Unit        | 27 x IEC C13 |
| Max. Ouput Current | 15A          |

**Input**

|                     |                            |
|---------------------|----------------------------|
| Cable with Plug     | IEC60309 3P+N+E, 63A       |
| Cable Spesification | 5G*10.0mm <sup>2</sup> *3M |
| Rating Voltage      | 380 - 415VAC 50 - 60 Hz    |
| Rating Current      | 63A                        |
| Max. Current        | 63A                        |
| Max. Power          | 41 Kw                      |

**Control Function**

|                  |                                                                                                        |
|------------------|--------------------------------------------------------------------------------------------------------|
| LED              | 3ea Power Indicator                                                                                    |
| Ammeter Y-Series | Monitor Volt ( V )<br>Monitor Ampere ( A )<br>Monitor Energy Consumption (Kwh)<br>Monitor Power Factor |

**Add-In**

|                           |                |
|---------------------------|----------------|
| Interior Connection Wire  | Brass bar      |
| Interior Connection Style | Soldering tin  |
| Fix the Cable             | PG Cable clamp |
| Safety Authentication     | CE             |

**Warranty**

|               |                   |
|---------------|-------------------|
| 2 (two) Years | Repair or replace |
|---------------|-------------------|
